ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 17 November 1976

1. [] LIAISON Alan Romberg, NSC Staff, called concerning the transcript for the briefing before the Subcommittee on Arms Control, International Organizations and Security Agreements, Senate Foreign Relations Committee, 22 September 1976. I suggested that he either come to my office to read it or perhaps someone from our office could take it by his office. He said he preferred the latter, so I told him I would be back in touch with a time and date.

2. [] LIAISON Called Rick Feeney, Executive Assistant, House Select Committee on Assassinations, to ask him about rescheduling the meeting that had been cancelled for Tuesday. He said they were still very interested in coming to Headquarters and as soon as time permitted he would set up another meeting.

I also mentioned that there would be a notice published in the Federal Register on lifting the moratorium on destruction of documents, explained what was involved and assured him it would not affect the Committee's interests.

3. [] LIAISON Spoke with Jim Fellenbaum, Senate Appropriations Committee staff, concerning details for his upcoming trip abroad.

16. [REDACTED] FAA ALERT Called Clark McFadden, Senate Armed Services Committee staff, and alerted him to the fact that we had another Presidential finding to report and we were ready to brief the Committee at their convenience, although there is some question whether their Committee should still be considered an "appropriate committee" of the Congress within the meaning of the Hughes/Ryan amendment. We will talk further with McFadden about this.

17. [REDACTED] FAA ALERT Called Pat Holt, Chief of Staff, Senate Foreign Relations Committee, and alerted him to the fact that we had another Presidential finding to report and were ready to brief the Committee at their convenience. Later in the day, Elly Vogtmann, also of the Committee staff, called and said they would like to have the briefing on Tuesday, 23 November at 2:00 p.m. The Director's office was advised.
